INTELLISAFE

Since 1927, we've been committed to building the safest cars on the road. Intellisafe goes beyond that. It's our complete approach to safety innovation, incorporating a wide range of technologies to protect you and those around you, such as City Safety Auto-Braking, Pedestrian and Cyclist Detection, and Blind Spot Information System.

INSTANT TRACTION ALL-WHEEL DRIVE

This intuitive, intelligent technology delivers premiere performance, dynamic handling, and peerless safety. In inclement weather and on variable surfaces, it automatically detects the moment a tire begins to slip, instantly analyzing and transferring torque to the wheels that need it most.

S60 T6 Drive-E FWD

DRIVE-E ENGINES

Get the power you need with a four-cylinder engine that generates the equivalent output of a six or even eight-cylinder engine, but uses less fuel. Our top-of-the range Drive-E engines feature both supercharging and turbocharging, so you get more torque at low revs and a turbo boost at higher revs.
