

The New  
**ELANTRA Sport**  
2019

# Love to drive? Meet the ELANTRA Sport.

The Elantra Sport features a powerful Turbocharged engine and independent multi-link rear suspension for dynamic sport-tuned handling around every corner. While you feel the rush of excitement at your fingertips, you'll also be turning heads with its redesigned sporty exterior featuring new LED headlights and tail lights. Also new for 2019 is a wealth of safety technologies that help keep your mind at ease — allowing you to focus on the drive ahead.

## More power.

Sport enhanced design cues are only the beginning. Underneath the hood, the Elantra Sport is powered by a 1.6L Turbocharged Gasoline Direct Injection four-cylinder engine generating 201 horsepower and 195 lb-ft of torque. Choose between a 6-speed manual or available 7-speed Dual Clutch Transmission with steering wheel-mounted paddle shifters.

## Fun to drive is an understatement.

The Elantra Sport is exclusively outfitted with an independent multi-link rear suspension designed to elevate on-road performance. Standard 18" alloy wheels and larger front brakes also add to the dynamic handling and sporty look.

## Sport meets comfort.

Contoured and heavily bolstered leather front seats feature contrasting red stitching. Sink into comfort and wrap your hands around the sporty D-cut steering wheel to take control. Both front seats and steering wheel are heated for added comfort on cold winter days.

## Sporty style from bumper to bumper.

The unique front-end design sets the tone with sharp body lines that frame an aggressive black-and-chrome front grille. Exclusive to the Elantra Sport, the blacked out headlight housing features newly designed LED headlights. From behind, your gaze will be fixed on the chrome-tipped exhaust outlet and diffuser that seamlessly integrate into the rear bumper.

## A sporty cabin designed around you.

The cabin features unique sport-inspired accent trim along the front dash, a black headliner, black trim along the shifter and contrasting red accents throughout. Looking for features that keep you connected? Standard Apple CarPlay™<sup>Δ</sup> and Android Auto™<sup>◊</sup> make accessing your favourite apps, like navigation, music and so much more, extremely convenient with the intuitive 7.0" touch-screen display. Open the power sunroof and you're ready to take in every moment of the drive.

# The features you want.

Standard sport instrument cluster

Standard LED tail lights

Standard chrome-tipped sport exhaust

Available steering wheel-mounted paddle shifters

Standard sport D-cut heated steering wheel

Standard leather heated front sports seats

Standard sport-inspired accent trim

Standard sport exclusive door sills

Standard aluminum sport pedals

# The SUPERSTRUCTURE.™

At the core of the Elantra Sport is the SUPERSTRUCTURE™, a state-of-the-art platform built with our Advanced High-Strength Steel for exceptional rigidity and strength. In the event of a collision, the SUPERSTRUCTURE™ helps protect occupants inside the vehicle by absorbing harmful energy and redirecting it away from the passenger compartment.

The rigid composition of the SUPERSTRUCTURE™ not only delivers enhanced safety, it also means our engineers can tune key suspension components more precisely to reach a balance between controlled handling and ride comfort.

Complementing our extremely strong SUPERSTRUCTURE™ is an array of standard Hyundai SmartSense™ safety technologies:

Forward  
Collision-Avoidance  
Assist

Blind-Spot  
Collision Warning with  
Lane Change Assist

Rear  
Cross-Traffic  
Collision Warning

Lane Departure  
Warning with  
Lane Keeping Assist

Overall width  
(excluding side mirrors)

1,800 mm

Overall length

4,620 mm

Overall height

1,435 mm

# Accessories

## Winter Wheel & Tire Packages

Winter tires have specialized rubber and tread to handle the cold temperatures resulting in better traction, handling and braking. Mount your tires on a set of Hyundai steel wheels and spare your alloy wheels from the corrosion caused by salt and slush.

## Premium All-Weather Floor Liners

Premium all-weather floor liners were designed to cover the interior carpet providing maximum protection against the elements that other mats cannot offer. Their unique and durable design features a non-slip surface for added comfort and a long lasting premium look. Remove carpet mats prior to installation.

## Roof Spoiler

A custom-fit roof spoiler adds a clean, yet sporty appearance. Comes ready to install in black. (Also available in primed and ready to paint).

## Cargo Net

A custom-fit cargo net ensures everything you're transporting remains organized and in place by preventing items from sliding around.

# 5 YEAR WARRANTY<sup>†</sup>

5 YEAR/100,000 KM  
Comprehensive Limited Warranty<sup>†</sup>

5 YEAR/100,000 KM  
Powertrain Warranty

5 YEAR/100,000 KM  
Emission Warranty

5 YEAR/UNLIMITED KM  
Roadside Assistance Program<sup>††</sup>
