

2018 SIENNA

TOYOTA

READY FOR
WHATEVER YOUR DAY
HAS IN STORE.

Life is full of surprises. No matter how hard you try, it will always find a way to flip your plans on its head. But it's those kinds of moments that make life so much fun. So it should come as no surprise that the 2018 Sienna was designed for the unexpected, no matter where you find it. It features a surprising degree of power, style, and space that will make any drive extraordinary. And with a full array of advanced technology and safety features, the Sienna is ready for whatever comes your way. Life is full of surprises. We thought the 2018 Sienna should be too.

THE UNEXPECTED AWAITS

Limited shown in Parisian Night Pearl. SE Technology Package shown in Silver Sky Metallic.
FRONT COVER SE Technology Package shown in Silver Sky Metallic.

TAKE ANOTHER LOOK AND THEN ANOTHER

SLEEK, STYLISH, AND SURPRISING FROM EVERY ANGLE.

Expectations - life is filled with them. And the 2018 Sienna has been restyled to surpass all of them. The dramatic exterior features stunning contours and sleek lines that not only help to improve fuel efficiency and ride comfort, but also to turn heads. With an aggressively redesigned front and rear end, one look at the new Sienna, and you'll have no doubt at all that it was built to travel far beyond your expectations.

AVAILABLE FEATURES

- 19" Aluminum Alloy Wheels
- Sport Front & Rear Fascia
- Sport Style Grille
- Smoked Headlamp Surround
- High Intensity Discharge (HID) Headlamps
- Power-Folding Auto-Dimming Side View Mirrors
- Rear Spoiler
- Light Emitting Diode (LED) Rear Tail Lamps

SE Technology Package shown in Alpine White.

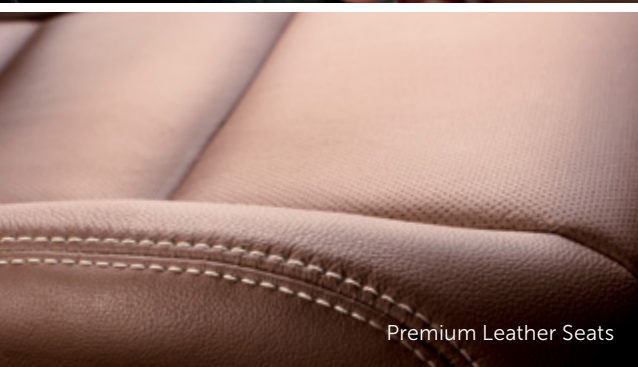

Birds-Eye-View Monitor⁷

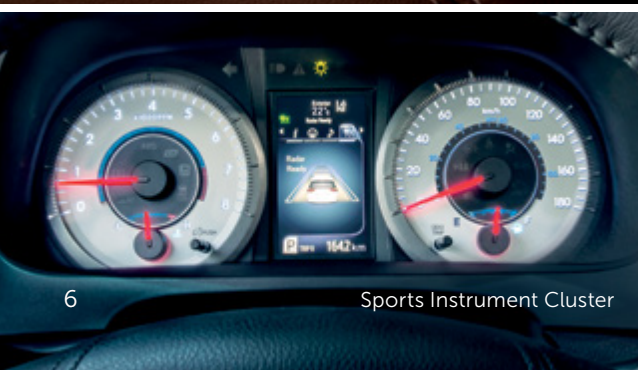

Rear Seat Blu-ray Entertainment System

5 USB Ports

Premium Leather Seats

6

Sports Instrument Cluster

A WELCOMING SPACE FOR THE ENTIRE FAMILY.

The 2018 Sienna offers more than just a stunning design. The highly stylized interior surrounds you with sophisticated materials, premium accents and enough space to comfortably seat up to 8. Fall in love with Sienna's inviting soft-touch seating, and available premium contrast stitching, but don't forget about all the technology. It's loaded with intuitive features designed to make it incredibly easy to take charge of the trip. It even includes tech for 2nd- and 3rd-row passengers to keep everyone entertained, no matter how long the journey is.

AVAILABLE FEATURES

- Dual Power Moonroof
- Multi-Information Display
- Display Audio System⁴
- Push Button Start/Smart Key System w/Power Back Door Button
- Tri-Zone Automatic Climate Control
- Heated Front Captain Seats

WHERE COMFORT, STYLE, AND TECH MEET

entune™ 3.0

Sienna's Entune™ 3.0 System¹⁹ is an integrated multimedia platform that includes a host of smart technologies designed to help keep you informed and connected to the people, places, and things that matter to you most.

APP SUITE CONNECT²⁰

Entune™ App Suite Connect offers drivers a series of infotainment apps to help enhance your day-to-day activities. This easy-to-use service allows you to stream music, get sports scores, stock updates, check local traffic²⁴ details, fuel prices, news, weather²⁴ reports, and even access to Yelp.

SAFETY CONNECT²¹

The available Safety Connect feature provides all around peace of mind and convenience. Drivers can be easily connected to Toyota's 24/7 response centre to get live assistance in the event of an emergency, collision, roadside assistance, or for help in locating a stolen vehicle.

SCOUT® GPS LINK²²

Entune's™ Scout® GPS Link is a cell phone-based navigation app that offers up-to-the-minute directions via full-moving maps and turn-by-turn directions. The hands-free voice command system creates a seamless navigation experience that effortlessly gets you to your destination with ease.

DESTINATION ASSIST²³

If you're having trouble finding a destination, the available Destination Assist provides 24-hour access to a live agent to help locate a destination by point of interest, business name, proximity, address, and/or by city and province.

ENJOY A MORE
CONNECTED DRIVE

NOW YOU CAN TAKE EVERYTHING EVERYWHERE.

Sienna can make the most of whatever challenges and opportunities life sends your way. Available in 7 or 8 passenger models, the easily configurable seats can be arranged and rearranged to accommodate any plans. And you'll be thankful for all of the Sienna's extra space because it boasts an impressive 4,250 litres of storage to handle everything you need to bring and more. Which gives a whole new meaning to fill 'er up.

SIENNA MOBILITY MODELS The 2018 Sienna offers two mobility models to choose from that are loaded with convenient features such as dual sliding side doors, power rear door with jam protection, and more. Each model can also be fully converted to allow for additional accessibility through our Toyota Mobility Program.

SE Technology Package shown in Silver Sky Metallic.

| Power Rear Liftgate | Up to 4,247.53 litres of Cargo Space |
| 2nd Row Captain Seats | |

ANY ROAD. ANY SEASON.

THE DRIVE IS ALWAYS GREAT. EVEN WHEN THE ROADS AREN'T.

You can't have a vehicle that just looks good – it actually has to be good. That's why the 2018 Sienna is engineered with a lightweight, rigid, and aerodynamically optimized body that gives you improved ride comfort and responsive handling. It also includes a 296-hp 3.5-litre V6 direct injection engine with an 8-Speed Electronically Controlled Transmission. This powertrain delivers greater fuel efficiency and exceptional power with 263 lb.-ft. of torque. Plus, the SE raises the game with aggressive styling, a sport-tuned suspension and sport-calibrated Electric Power Steering for a more direct steering feel.

ALL-WHEEL DRIVE Rain, snow, ice, or sun – Sienna's available All-Wheel Drive system gives you the reassurance you need to take on the worst Canadian weather. It's designed to offer the necessary amount of torque to each wheel to help you handle whatever type of road condition you may find yourself on.

ECO DRIVING MODE The available ECO Mode button eases the gas pedal output and adjusts the air conditioning for enhanced fuel efficiency. Now you can go the distance for a long, long time.

Toyota
Safety
Sense

WE ALL DESERVE TO ARRIVE SAFE

At Toyota, we believe that no matter what the destination, everyone deserves to arrive safely. That's why we created Toyota Safety Sense™ (TSS)¹³ – an advanced suite of innovative safety features designed to help protect drivers, passengers, pedestrians (TSS-P only) and people in other vehicles from harm. TSS is comprised of active features such as Pre-Collision System (PCS),¹⁴ Lane Departure Alert (LDA)¹⁵ and Automatic High Beams (AHB)¹⁷ and are standard on virtually all models. TSS represents the latest milestone in our long history of creating advancements and innovations in safety that have helped prevent crashes and protect people.

BUILDING A SAFER TOMORROW

SAFETY FEATURES

Toyota Star Safety System™
8 Airbags¹
Backup Camera
Available Front & Rear Parking Assist Sonars
Available Blind Spot Monitor¹² w/Rear Cross-Traffic Alert¹²
Direct Tire Pressure Monitoring System
Available Rain-Sensing Front Wipers
Active Front Headrest w/Whiplash Protection

TOYOTA SAFETY SENSE™ (TSS-P)¹¹

PRE-COLLISION SYSTEM WITH PEDESTRIAN DETECTION¹⁴ Provides collision avoidance or collision mitigation support in speed ranges where frontal collisions are likely to occur. In certain conditions, the Pre-Collision System with Pedestrian Detection (PCS w/PD) may also help to detect pedestrians and help prevent or mitigate a collision.

LANE DEPARTURE ALERT WITH STEERING ASSIST¹⁵ Alerts you if you start to drift out of your lane when visible lane markings are detected. The Steering Assist function may also provide small corrective steering inputs.

DYNAMIC RADAR CRUISE CONTROL¹⁶ Using forward sensing radar technology, the system can automatically adjust vehicle speed to help maintain a preset following distance between you and the vehicle directly in front of you.

AUTOMATIC HIGH BEAMS¹⁷ Designed to detect oncoming and preceding vehicles' lights and depending upon the circumstances, Automatic High Beams (AHB) can switch between high and low beams for you.

Limited shown in Parisian Night Pearl.

NEW VEHICLE WARRANTY SUMMARY

– No deductibles – no transfer fees

COMPREHENSIVE COVERAGE

3 YEARS OR 60,000 KM.

This warranty includes 24 hour Roadside Assistance and other benefits, as well as coverage of repairs on any part of the vehicle that is defective in material or workmanship under normal use and maintenance. Different warranties apply to original tires.

POWERTRAIN COMPONENTS

5 YEARS OR 100,000 KM.

This warranty covers repairs to powertrain components that are defective in material or workmanship under normal use and maintenance.

MAJOR EMISSION CONTROL COMPONENTS

8 YEARS OR 130,000 KM.

This warranty covers repairs to specified major emission components that are defective in material or workmanship under normal use and maintenance.

CORROSION PERFORATION

5 YEARS/UNLIMITED DISTANCE.

This warranty covers any sheet metal found, under normal use, to have developed a perforation from corrosion due to defects in material or workmanship.

DISCLAIMERS

(1) All Toyota vehicles shown in this brochure have Supplemental Restraint Systems (SRS). For important safety information about the Supplemental Restraint System in a particular vehicle, please see the Owner's Manual or contact your local Toyota Dealer. (2) Fuel efficiency estimates were determined using approved Government of Canada Test Methods. Actual fuel consumption will vary based on driving habits and other factors. (3) Do not use the hands-free phone system if it will distract you. A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends upon software, coverage and carrier. (4) Driving while distracted can result in loss of vehicle control. Always drive safely, obey traffic laws and focus on the road and traffic conditions while driving. (5) Availability and accuracy of the information provided by the navigation system is dependent upon many factors. Use common sense when relying on information provided. Services and programming subject to change. Services not available in every city or roadway; updates may be available at an additional cost from your Dealer. (6) Siri Eyes Free is a trademark of Apple Inc., registered in the US and other countries. (7) Cold weather and other environmental factors may limit system. Operates at low speed or when parked. Do not rely exclusively on the system as it is not intended to replace safe attentive operation of the vehicle. You should also look around outside your vehicle, over your shoulder and use your mirrors to confirm clearance. (8) A single disc DVD player is standard on vehicles equipped with the Dual-View Entertainment System. A separate DVD player or game system utilizing the centre console's video/audio inputs is required in order to use the split-screen function. (9) Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect VSC system effectiveness. (10) Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions. (11) Smart Stop Technology operates only in the event of certain simultaneous brake and gas pedal applications. When engaged, the system will reduce engine power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions, and driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping. (12) Do not rely exclusively on the Blind Spot Monitor System and Rear Cross-Traffic Alert System. They are not collision-avoidance systems or substitutes for safe and attentive driving. (13) Drivers should always be responsible for their own safe driving. Please always pay attention to your surroundings and drive safely. Depending on the conditions of roads, vehicles, weather, etc., the TSS systems may not work as intended. (14) The TSS Pre-Collision System is designed to help avoid or reduce the impact speed and damage in certain frontal collisions only. The Pedestrian Detection system is designed to detect a pedestrian ahead of the vehicle, determine if impact is imminent and help reduce impact speed. It is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrians, driver input and weather, light and road conditions. (15) Lane Departure Alert with Steering Assist is designed to read lane markers under certain conditions and provide visual and audible alerts and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. (16) Dynamic Radar Cruise Control is designed to assist the driver and is not a collision-avoidance system or a substitute for safe and attentive driving practices. System effectiveness depends on many factors such as weather, traffic and road conditions. (17) Automatic High Beam system operates at speeds above approximately 34 km/h. Factors such as a dirty windshield, variable weather, lighting conditions and hilly terrain will limit effectiveness, requiring the driver to manually turn it off. (18) Do not rely exclusively on the Rear Cross-Traffic Brake System and Intelligent Clearance Sonar System. There are limitations to the function, detection and range of the system. You should also look around outside your vehicle, over your shoulder and use your mirrors to confirm rearward clearance. For a complete list of limitations and directions, please see your Owner's Manual. (19) Services are dependent upon connection to a compatible wireless network. The current compatible 3G GSM/GPRS cellular network is provided by a third-party wireless service provider. Toyota is not responsible for cellular network discontinuance. (20) Select Toyota Entune™ App Suite apps use a large amount of data and you are responsible for all data charges. Apps and services vary by phone and carrier; not all services available all the time and in all locations, and are subject to change. (21) Contact with Safety Connect™ response centre is dependent upon the telematics device being in operative condition, cellular connectivity availability, and navigation map data and GPS satellite signal reception, which can limit the ability to reach the response centre or receive emergency support. Once the trial subscription expires, enrollment and Telematics Subscription Service Agreement required. A variety of subscription terms are available; charges vary by subscription term selected. (22) Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change. Availability and accuracy of the information provided by Scout® GPS Link is dependent upon many factors. Use common sense when relying on information provided. Services and programming subject to change. Services not available in every city or roadway. See www.toyota.ca for details. (23) Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Availability & accuracy of the information provided by Destination Assist are dependent upon many factors. Use common sense when relying on information provided. Services and programming subject to change. Services not available in every city or roadway. See www.toyota.ca for details. (24) Traffic Incident and Weather App are available on Entune™ 3.0 Audio and Entune™ 3.0 Audio Plus multimedia displays. (25) ®Aeroplan and the Aeroplan logo are registered trademarks of Aimia Canada Inc.

Details on the above features can be found in the Owner's Manual or contact your local Toyota Dealer.

Toyota Canada Inc. Every effort has been made to ensure the specifications and equipment shown are accurate based on information available at time of printing. In some cases, certain changes in production capacity, standard equipment, options or product delays may occur which would not be reflected in this brochure. Toyota Canada Inc. reserves the right to make these changes without notice or obligation. The Toyota website **toyota.ca** – or your Toyota Dealer is your best source for up-to-date information.
