This vehicle history report is based on information (<https://www.carfax.ca/vehicle-history-data>) that was reported and available to CARFAX Canada as of July 10, 2024 (or once all the data was collected from our data sources and the report was complete). CARFAX Canada draws on billions of data records from thousands of sources across North America, and we receive new historical data records every day. **There may be other information about this vehicle that has not been reported to CARFAX Canada.** When buying a used vehicle, we always recommend using a CARFAX Canada Vehicle History Report, along with a vehicle inspection and test drive, to make an informed decision.

Open Recalls

Recall #: 16V-071:221 | DRIVER'S FRONT AIR BAG Recall Date: 2016 Feb 05

Recall Description

During air bag deployment in an accident, the driver's front air bag module may produce excessive internal pressure that could cause the inflator to rupture.

Remedy

Final remedy parts are available. Your BMW center will replace the driver's front air bag module for FREE. Please make an appointment with an authorized BMW center immediately. To ensure BMW of North America, LLC has your most recent contact information, please visit <http://www.bmwusa.com/myBMW>

This recall was open as of the date/time that this report was generated. For more information, or to find out if the recall has been closed, please contact your local BMW Retailer.

Recall #: 17V-676:268 | BLOWER MOTOR WIRING Recall Date: 2017 Oct 25

Recall Description

This recall involves the wiring for the system, known as the blower-motor, that controls air flow for the heating and air conditioning system. Over time, the connection between the wiring and this system could deteriorate and, in rare cases, could lead to overheating.

Remedy

The wiring will be inspected and a new part will be installed. Additional components will be replaced, if necessary, as determined at the time of repair.

This recall was open as of the date/time that this report was generated. For more information, or to find out if the recall has been closed, please contact your local BMW Retailer.

Recall #: 19V-472:315 | POSITIVE BATTERY CABLE Recall Date: 2019 Jun 19

Recall Description

The issue involves the positive battery cable connection to the fuse box which, over time, could become damaged and lead to a no-start

WBSPM9C5XBE203362

condition, or momentary flickering of the instrument cluster.

Remedy

The positive battery cable connector will be replaced with an improved version, and the cable will be secured to the fuse box.

This recall was open as of the date/time that this report was generated. For more information, or to find out if the recall has been closed, please contact your local BMW Retailer.

Stolen Vehicle Check

✔ This vehicle is not actively declared stolen.

CARFAX Canada No Reported Accidents™ Badge

The CARFAX Canada No Reported Accidents™ badge is based on the damage records and/or branding information reported to CARFAX Canada. The badge is available for personal vehicles that have only been registered in Canada, and were not, at the time this report was generated, declared stolen.

This vehicle history report is compiled from multiple data sources. It is not always possible for CARFAX Canada ULC or its source data providers to obtain complete information on any one vehicle. For example, there may be other title, brands, registrations, declarations, accident information, service records, recall information, odometer readings or other information where discrepancies that apply to this vehicle are not reflected in this report. CARFAX Canada and its source data providers receive data and information from external sources believed to be reliable, but no responsibility is assumed by CARFAX Canada, its source data providers or its agents for any errors, inaccuracies or omissions. The reports are provided strictly on an as-is where-is basis, and CARFAX Canada and its source data providers further expressly disclaim all warranties, express or implied, including any warranties of timeliness, accuracy, merchantability, merchantable quality or fitness for a particular purpose regarding this report or its contents. Neither CARFAX Canada nor any of its source data providers shall be liable for any losses, expenses or damages in connection with any report or any information contained within a report, including the accuracy thereof or any delay or failure to provide a report or any information. Other information about the vehicle that is the subject matter of this vehicle history report, including problems, may not have been reported to CARFAX Canada. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car. By obtaining, reviewing and/or using this vehicle history report, you agree to be bound by all of the terms and conditions in CARFAX Canada's Conditions of Use and any CARFAX Canada End User License Agreements as each may be amended from time to time by CARFAX Canada.
