## Open Recalls

**Recall Description**

Over time, a build up of silicate on the shift lever micro switch contacts can result in an isolation like layer that may be interpreted as an open micro switch. This open switch normally indicates that the shift lever is in P park position. If the build up happens, it may be possible to remove the key from the ignition switch without the shift lever being in the P park position because the system is unable to recognize that the vehicle is not in P park. This makes the vehicle noncompliant with FMVSS 114 Theft protection and rollaway prevention. If the ignition key is removed without the shift lever being in P Park position, there is a risk that the vehicle may roll away, resulting in a crash that could injure people and damage property.

**Remedy**

Install an additional switch and circuit board.

This recall was open as of the date/time that this report was generated. For more information, or to find out if the recall has been closed, please contact VOLKSWAGEN or visit [Volkswagen's website](#).

**Stolen Vehicle Check**

✔ This vehicle is not actively declared stolen.

This vehicle history report is compiled from multiple data sources. It is not always possible for CARFAX Canada ULC or its source data providers to obtain complete information on any one vehicle. For example, there may be other title, brands, registrations, declarations, accident information, service records, recall information, odometer readings or other information where discrepancies that apply to this vehicle are not reflected in this report. CARFAX Canada and its source data providers receive data and information from external sources believed to be reliable, but no responsibility is assumed by CARFAX Canada, its source data providers or its agents for any errors, inaccuracies or omissions. The reports are provided strictly on an as-is where-is basis, and CARFAX Canada and its source data providers further expressly disclaim all warranties, express or implied, including any warranties of timeliness, accuracy, merchantability, merchantable quality or fitness for a particular purpose regarding this report or its contents. Neither CARFAX Canada nor any of its source data providers shall be liable for any losses, expenses or damages in connection with any report or any information contained within a report, including the accuracy thereof or any delay or failure to provide a report or any information. Other information about the vehicle that is the subject matter of this vehicle history report, including problems, may not have been reported to CARFAX Canada. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car. By obtaining, reviewing and/or using this vehicle history report, you agree to be bound by all of the terms and conditions in CARFAX Canada's Conditions of Use and any CARFAX Canada End User License Agreements as each may be amended from time to time by CARFAX Canada.
