Open Recalls

Recall #: 1317F | PERMANENT PSGR AIRBAG INFLATOR Recall Date: 2017 Jun 28

Recall Description

Your passenger front air bag may explode in the event of a crash that causes the air bag to deploy; even a minor crash.

Remedy

Your Mazda dealer will repair the passenger front air bag for FREE. Please schedule your FREE REPAIR immediately by contacting your local Mazda dealer. FREE alternate transportation is available.

This recall was open as of the date/time that this report was generated. For more information, or to find out if the recall has been closed, please contact MAZDA or visit [Mazda's website](#).

Recall #: 2818I | MAZDA6 FRONT CROSS MEMBER CORR Recall Date: 2019 Apr 25

Recall Description

On certain subject vehicles operated in the salt belt states, it is possible that the cross member may be corroded due to suspect insufficient paint coating. Corrosion may be more severe on the portion just under the air conditioner drain causing a perforation.

Remedy

The purpose of this recall is to inspect the front cross member and install a side member (for reinforcement), replace the A/C drain hose, and apply rust proofing wax to the cross member. In severe cases the front cross member will be replaced along with the A/C drain hose instead of the side member.

This recall was open as of the date/time that this report was generated. For more information, or to find out if the recall has been closed,

please contact MAZDA or visit Mazda's website.

Stolen Vehicle Check

This vehicle is not actively declared stolen.

CARFAX Canada No Reported Accidents™ Badge

The CARFAX Canada No Reported Accidents™ badge is based on the damage records and/or branding information reported to CARFAX Canada. The badge is available for personal vehicles that have only been registered in Canada, and were not, at the time this report was generated, declared stolen.

This vehicle history report is compiled from multiple data sources. It is not always possible for CARFAX Canada ULC or its source data providers to obtain complete information on any one vehicle. For example, there may be other title, brands, registrations, declarations, accident information, service records, recall information, odometer readings or other information where discrepancies that apply to this vehicle are not reflected in this report. CARFAX Canada and its source data providers receive data and information from external sources believed to be reliable, but no responsibility is assumed by CARFAX Canada, its source data providers or its agents for any errors, inaccuracies or omissions. The reports are provided strictly on an as-is where-is basis, and CARFAX Canada and its source data providers further expressly disclaim all warranties, express or implied, including any warranties of timeliness, accuracy, merchantability, merchantable quality or fitness for a particular purpose regarding this report or its contents. Neither CARFAX Canada nor any of its source data providers shall be liable for any losses, expenses or damages in connection with any report or any information contained within a report, including the accuracy thereof or any delay or failure to provide a report or any information. Other information about the vehicle that is the subject matter of this vehicle history report, including problems, may not have been reported to CARFAX Canada. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car. By obtaining, reviewing and/or using this vehicle history report, you agree to be bound by all of the terms and conditions in CARFAX Canada's Conditions of Use and any CARFAX Canada End User License Agreements as each may be amended from time to time by CARFAX Canada.
