## Open Recalls

Recall #: R0202 | Valve Cover Oil Leak (Interim - Recall Remedy Not Yet Available) Recall Date: 2021 Oct 26

### Recall Description

Issue: On certain vehicles, engine oil can leak from the valve cover onto the alternator. If this happens, the charging system could stop working and cause a warning light to turn on. If you continue to drive the vehicle with this problem, the engine could shut off while driving, and you may not be able to restart it. Note: This recall replaces C0260 (Transport Canada recall 2016-309). Vehicles that were repaired under that recall also require this repair. Safety Risk: A sudden loss of engine power could increase the risk of a crash. Corrective Actions: Hyundai will notify owners by mail. The corrective actions for this recall are under development. Note: If the battery charging indicator light is on, Hyundai recommends that you should arrange to have the vehicle inspected and repaired at a dealer immediately.

This vehicle history report is compiled from multiple data sources. It is not always possible for CARFAX Canada ULC or its source data providers to obtain complete information on any one vehicle. For example, there may be other title, brands, registrations, declarations, accident information, service records, recall information, odometer readings or other information where discrepancies that apply to this vehicle are not reflected in this report. CARFAX Canada and its source data providers receive data and information from external sources believed to be reliable, but no responsibility is assumed by CARFAX Canada, its source data providers or its agents for any errors, inaccuracies or omissions. The reports are provided strictly on an as-is where-is basis, and CARFAX Canada and its source data providers further expressly disclaim all warranties, express or implied, including any warranties of timeliness, accuracy, merchantability, merchantable quality or fitness for a particular purpose regarding this report or its contents. Neither CARFAX Canada nor any of its source data providers shall be liable for any losses, expenses or damages in connection with any report or any information contained within a report, including the accuracy thereof or any delay or failure to provide a report or any information. Other information about the vehicle that is the subject matter of this vehicle history report, including problems, may not have been reported to CARFAX Canada. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car. By obtaining, reviewing and/or using this vehicle history report, you agree to be bound by all of the terms and conditions in CARFAX Canada's Conditions of Use and any CARFAX Canada End User License Agreements as each may be amended from time to time by CARFAX Canada.
