This vehicle history report is based on information that was reported and available to CARFAX Canada as of January 13, 2022 (or once all the data was collected from our data sources and the report was complete). CARFAX Canada draws on billions of data records from thousands of sources, and we receive new historical data records every day. **There may be other information about this vehicle that has not been reported to CARFAX Canada.** When buying a used vehicle, we always recommend using a CARFAX Canada Vehicle History Report, along with a vehicle inspection and test drive, to make an informed decision.

Vehicle History Report + Lien Check (BC)

Lien Check

No lien records found in **British Columbia**.

How We Check for Liens

CARFAX Canada uses the VIN to search government records in each Canadian province and territory (excluding Northwest Territories) where the vehicle is currently registered and where it has historically been registered. We do not check for liens or title in any U.S. state.

If a VIN has no registration records in Canada, we cannot check for liens. We cannot guarantee lien checks on trailers, recreational vehicles or heavy-duty equipment.

Purchasers should always get written confirmation from vendors that there is no lien on the vehicle.

CARFAX Canada Canadian Lien Guarantee

If for some reason our lien check fails to accurately reflect the Canadian enforceable lien status of a vehicle at the time of the search, CARFAX Canada will reimburse the party that purchased the report and relied on it to their detriment to a maximum amount of (1) the value of the car (2) the value of the lien (3) Five Thousand Dollars Canadian (\$5,000.00), whichever is lower.

Accident/Damage

INCIDENT DATE	DETAILS	AMOUNT
 2014 Jun 2	British Columbia, Canada	
	Claim: VANDALISM	\$733.73

Registration

This vehicle has been registered in the province of **British Columbia** in **Canada** with **Normal** branding.

Open Recalls

Recall #: 16S19 | POWERTRAIN CONTROL MODULE REPROGRAMMING Recall Date: 2016 Apr 25

Recall Description

SOME VEHICLES MAY EXPERIENCE AN INTERMITTENT LOSS OF THE TRANSMISSION OUTPUT SPEED SENSOR (OSS) SIGNAL TO THE POWERTRAIN CONTROL MODULE, POTENTIALLY RESULTING IN A TEMPORARY, UNINTENDED DOWNSHIFT INTO FIRST GEAR. IN SOME CASES, THE OSS SIGNAL COULD RECOVER WHILE DRIVING AND THE VEHICLE WILL RESUME NORMAL FUNCTION; IN OTHER CASES THE VEHICLE MAY NEED TO BE STOPPED AND RESTARTED TO REGAIN NORMAL TRANSMISSION OPERATION. FORD IS AWARE OF THREE REPORTS OF ACCIDENTS AND NO INJURIES RELATED TO THIS CONDITION ON THE AFFECTED VEHICLES.

Remedy

OWNERS WILL BE NOTIFIED BY MAIL AND INSTRUCTED TO TAKE THEIR VEHICLE TO A FORD OR LINCOLN DEALER TO HAVE THE POWERTRAIN CONTROL MODULE REPROGRAMMED WITH UPDATED SOFTWARE. THERE WILL BE NO CHARGE FOR THIS SERVICE. FORD IS EXCLUDING REIMBURSEMENT FOR COSTS BECAUSE THE ORIGINAL WARRANTY PROGRAM WOULD PROVIDE FOR A FREE REPAIR FOR THIS CONCERN. FORD WILL FORWARD A COPY OF THE NOTIFICATION LETTERS TO DEALERS TO THE AGENCY WHEN AVAILABLE.

This recall was open as of the date/time that this report was generated. For more information, or to find out if the recall has been closed, please contact FORD or visit [Ford's website](#).

Stolen Vehicle Check

This vehicle is not actively declared stolen.

ICBC Disclaimer

The information supplied by ICBC is a report of the vehicle's status and the vehicle's claims history. Vehicle status shows whether a vehicle is qualified to be licensed and is used to track:

- vehicles sold by insurance companies as salvage
- salvage vehicles which have been rebuilt, inspected, and relicensed
- wrecked vehicles that have been decommissioned and can only be resold for parts

The vehicle status may not represent the vehicle accurately for a number of reasons, including a written-off vehicle that hasn't been reported to the B.C. vehicle registry or a vehicle with major damage that was repaired by its owner. The vehicle claims history is a report of vehicle damage and includes repairs paid by ICBC and outstanding damage estimates. It may be incomplete for various reasons, including the owner did not make a claim to ICBC or ICBC has denied the claim. In addition, the estimate information may not necessarily reflect the actual cost of repairs, list the area of the vehicle that sustained the greatest force of impact, or indicate the primary area of damage.

Consumers are encouraged to read ICBC's full statement of limitations at <http://apps.icbc.com/registration/vchr/Limitation.html>.

ICBC recommends the vehicle be inspected by a qualified mechanic to obtain a more complete assessment of the vehicle's condition.

This vehicle history report is compiled from multiple data sources. It is not always possible for CARFAX Canada ULC or its source data providers to obtain complete information on any one vehicle. For example, there may be other title, brands, registrations, declarations, accident information, service records, recall information, odometer readings or other information where discrepancies that apply to this vehicle are not reflected in this report. CARFAX Canada and its source data providers receive data and information from external sources believed to be reliable, but no responsibility is assumed by CARFAX Canada, its source data providers or its agents for any errors, inaccuracies or omissions. The reports are provided strictly on an as-is where-is basis, and CARFAX Canada and its source data providers further expressly disclaim all warranties, express or implied, including any warranties of timeliness, accuracy, merchantability, merchantable quality or fitness for a particular purpose regarding this report or its contents. Neither CARFAX Canada nor any of its source data providers shall be liable for any losses, expenses or damages in connection with any report or any information contained within a report, including the accuracy thereof or any delay or failure to provide a report or any information. Other information about the vehicle that is the subject matter of this vehicle history report, including problems, may not have been reported to CARFAX Canada. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car. By obtaining, reviewing and/or using this vehicle history report, you agree to be bound by all of the terms and conditions in CARFAX Canada's Conditions of Use and any CARFAX Canada End User License Agreements as each may be amended from time to time by CARFAX Canada.
